

Qatar's premier provider of technology, engineering & construction solutions

Qatar Fabrication Company (QFAB) is a joint-venture company between Qatar's leading shipping and maritime company Nakilat and a fully integrated provider of technology, engineering and construction solutions McDermott.

Strategically located within Erhama Bin Jaber Al Jalahma Shipyard, QFAB offers a robust range of services, such as the fabrication, construction and assembly of offshore and onshore structures at the heart of oil and gas activities in Ras Laffan Industrial City.

CERTIFICATIONS

- ISO 9001
- ISO 45001
- ISO/TS 29001
- ISO 14001
- ISO/IEC 27001

FABRICATION SERVICES

- Pipe fabrications and solutions
- Module fabrication & assembly
- Fabrication facilities

ONSHORE CONSTRUCTION

- Field construction
- Modular construction

CAPACITY

Annual man hours up to
4 MILLION HOURS

WELDING CAPABILITIES

FCAW-G, SMAW, GTAW, FCAW-S, SAW

FACILITIES

Construction Hall : **270m (L) x 65m (W) x 33m (H)**

Modular Workshops : **4,800 sqm**
 Adjacent to Construction Hall

Assembly Shop : **23,400 sqm** of covered storage, workshops and assembly facilities

Semi-submersible : **140m (L) x 35m (W)**

Load Out Recovery (LOR) Barge : **10,425 tonnes** lifting capacity

Fixed Quay : **776m (L)**
 Equipped with **30 tonnes** jib crane

Office Space : **5,400 sqm**
 With direct access to Construction Hall

Qatar's premier provider of technology, engineering & construction solutions

Area

Total Area: 41 acres [16.6 ha]

Covered Area: 11 acres [4.5 ha]

Open Area: 30 acres [12.1 ha]

Facilities

Warehouse (Open): 15,657 sqm

Warehouse (Covered): 4,800 sqm

Painting & Blasting Facility (Open/Paved): 36,121 sqm

Deck Assembly Area (Covered): 10,836 sqm

Deck Erection Area: 16,191 sqm

Equipment

Welding / Cutting Machine: various equipment

Overhead Crane: 16 nos (ranging from 10T – 120T capacity), semi-gantry 23 nos (ranging from 5T – 10T capacity)

Handling Equipment: DCY Transporter – 2 nos (100T capacity)

Multiwheel Trailer: 16 trailer assemblies + 4 powerpacks (3840T capacity)

Quayside for Loadout

Quayside Total Length: 776 m

Soil Bearing Capacity: 29 MT / sqm

Max Allowable Load: 3,840 MT

Minimum Water Depth at Low Tide: 10.32 m

Minimum Water Depth at High Tide: 11.71 m

Channel Width: open

Channel Depth: 11 m

Additional Information

Accessibility / Distance to Airport: 99 km

Average Annual Temperature: 13.3 – 39.2 deg celsius

Average Annual Rainfall: 8 mm

Types of Loadout: Trailered

Free Trade Zone: No
